2. Reason

The Company ranks the return of profits to shareholders as one of its highest priorities in its management. The Company aims to further strengthen the competitiveness of the Bandai Namco Group and, while maintaining a sound financial status, to achieve regular distributions of dividends and improvement in the Company’s corporate value.

In the Mid-term Plan started in April 2025, the Company has revised its basic policy regarding shareholder returns as a result of considering from various angles factors such as the management environment and policy regarding strategic investment for growth, etc.

In accordance with the Company's basic policy for shareholder returns, the Company plans to pay a fiscal year-end dividend of ¥50 per share, which is comprised of a base dividend of ¥23 per share and a performance-based dividend of ¥27 per share. Since the Company paid an interim dividend of ¥23 per share on December 9, 2025, the annual cash dividend for the fiscal year will be ¥73 per share. In addition, for the objective of implementing an agile capital policy that includes the return of profits to shareholders in response to changes in the business environment, while improving capital efficiency through effective utilization of owned assets, the Company purchased treasury shares during the fourth quarter of the fiscal year ended March 31, 2026. The total number of treasury shares purchased was 6,000,000 shares, and the total purchase cost of the shares was ¥24,757,598,600, resulting in a total return ratio of 51.0%, taking into account dividends and this purchase of treasury shares. The Company has also cancelled 5,000,000 shares of the treasury shares held as of April 30, 2026.

Additionally, concerning the projections of the annual cash dividends for the fiscal year ending March 31, 2027, according to the basic policy on the distribution of profits the interim dividend will be ¥25, and the fiscal year-end dividend will be considered by the Company based on the basic policy on the distribution of profits.

<Basic policy on return to shareholders>

Further strengthen the competitiveness of the Group and rank the appropriate return of profits to shareholders as one of its highest priorities in the management, while making it a basic policy to have a total return ratio of 50% or higher.

- Implement long-term stable dividends with a minimum DOE (dividend on equity) of 3.60%
- Acquire treasury shares as appropriate with an awareness of capital cost
