Sustainability

Connecting to a future of smiles

The Bandai Namco Group Sustainability Policy

□ The Bandai Namco Group Sustainability Policy

Under the IP Axis Strategy, we will work with fans to promote sustainability activities corresponding to social issues that should be addressed by the Group

The medium to long term targets for decarbonization

Target	By 2050 : Reduce the amount of energy-related carbon dioxide emissions at Group business sites (offices, own plants, directly operated amusement facilities, etc.) to net zero
Mid-term target	By 2030 : A 35% reduction compared with FY2020.3 (a 50% reduction compared with FY2014.3) in energy-related carbon dioxide emissions at Group business sites
Main initiatives	Further promotion of energy-saving measures and introduction of renewable energy, etc.

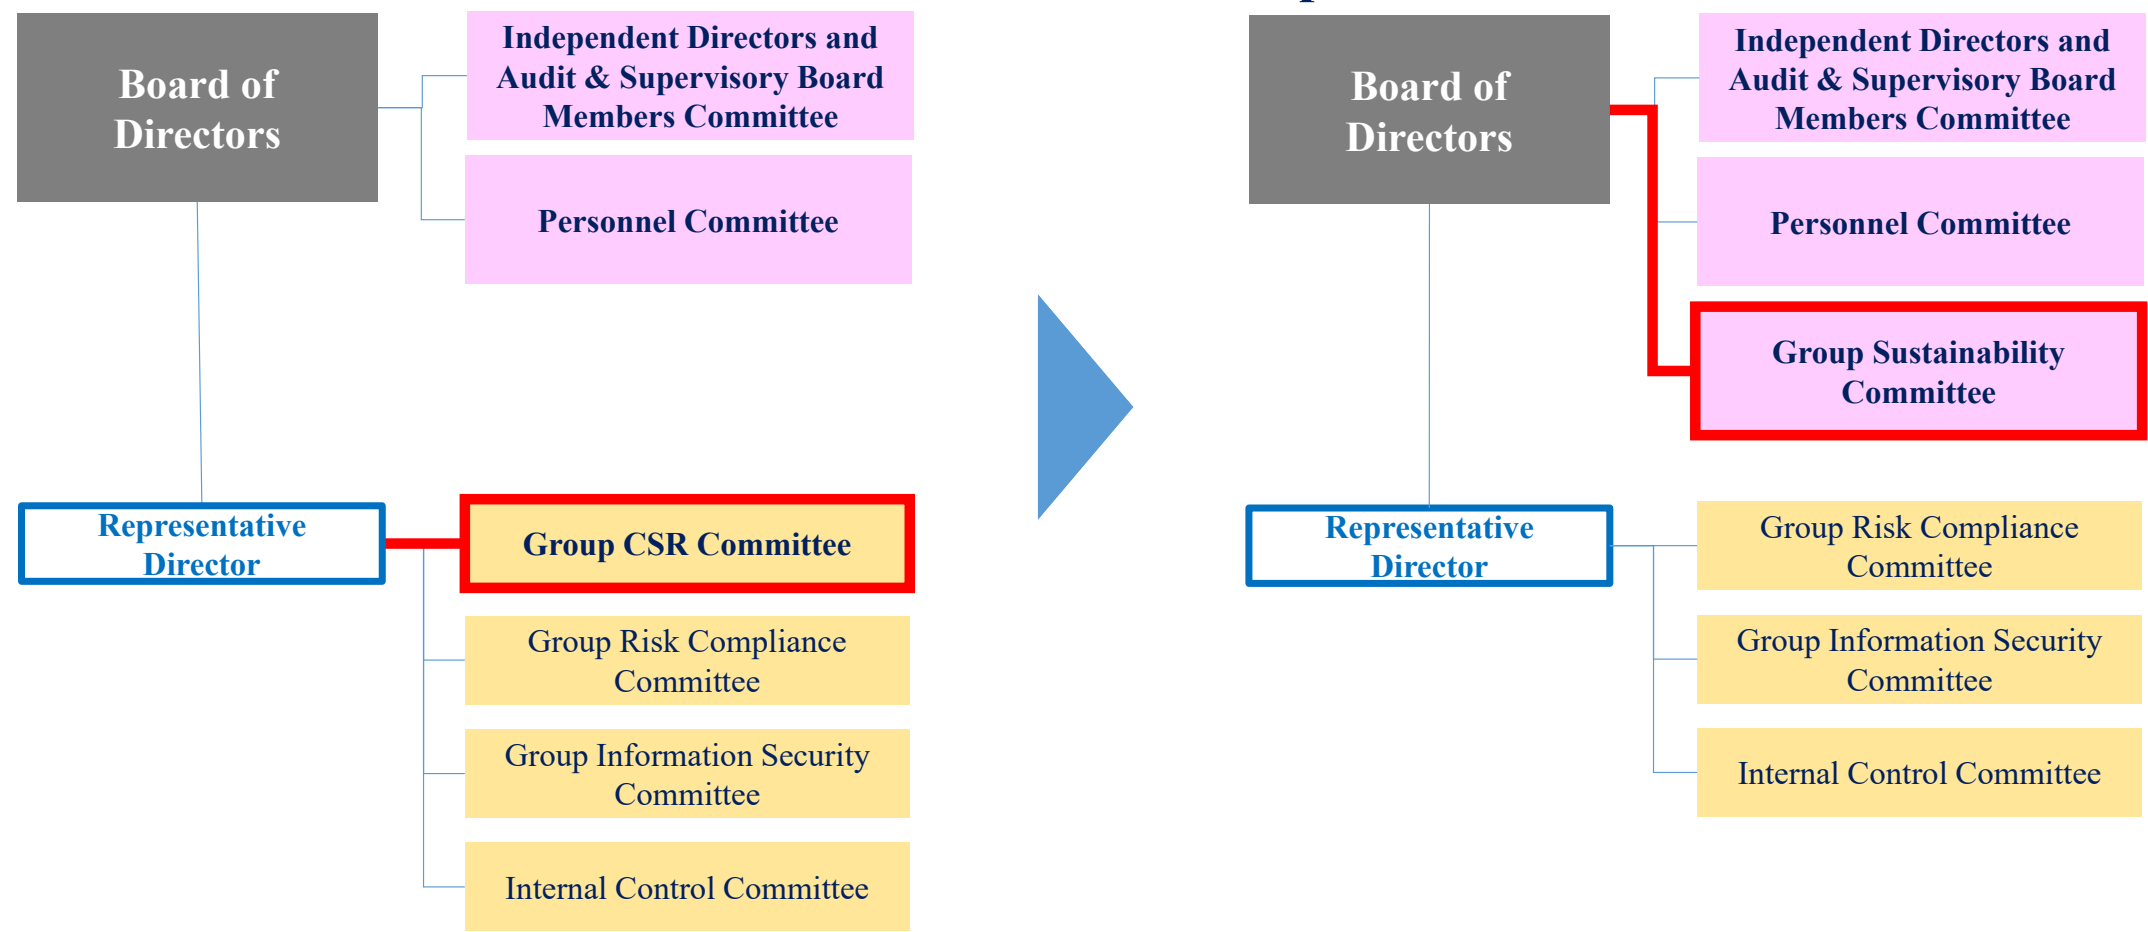

□ **Material issues (important themes)**

- **Harmonious coexistence with the natural environment**
- **Provision of appropriate products and services**
- **Appropriate utilization and protection of intellectual property**
- **Establishment of work environments that facilitate mutual respect**
- **Harmonious coexistence with communities**

Group Sustainability Committee

The Group CSR Committee will be **renamed the Group Sustainability Committee** and upgraded to a committee that is directly under the Board of Directors.

From April 2022

New system

New system

❑ To strengthen governance, BANDAI NAMCO Holdings will transition to a new system

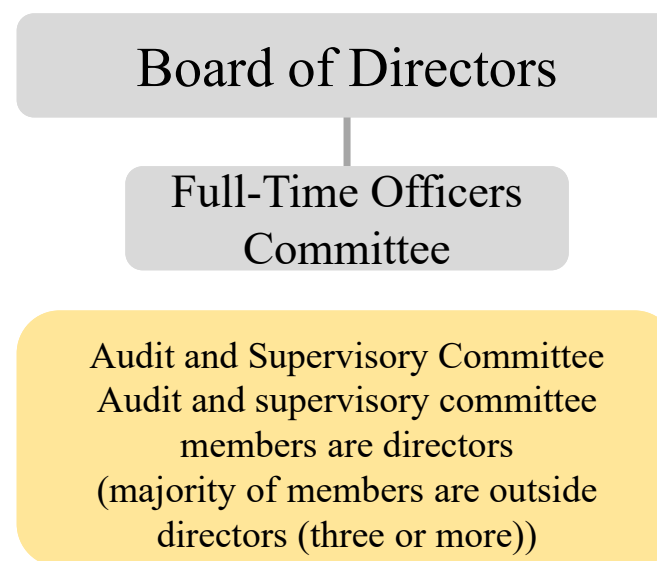

From April 2022

Company with audit and supervisory Board

From June 2022 shareholders' meeting

Company with audit and supervisory committee

● Supervisory function will be strengthened

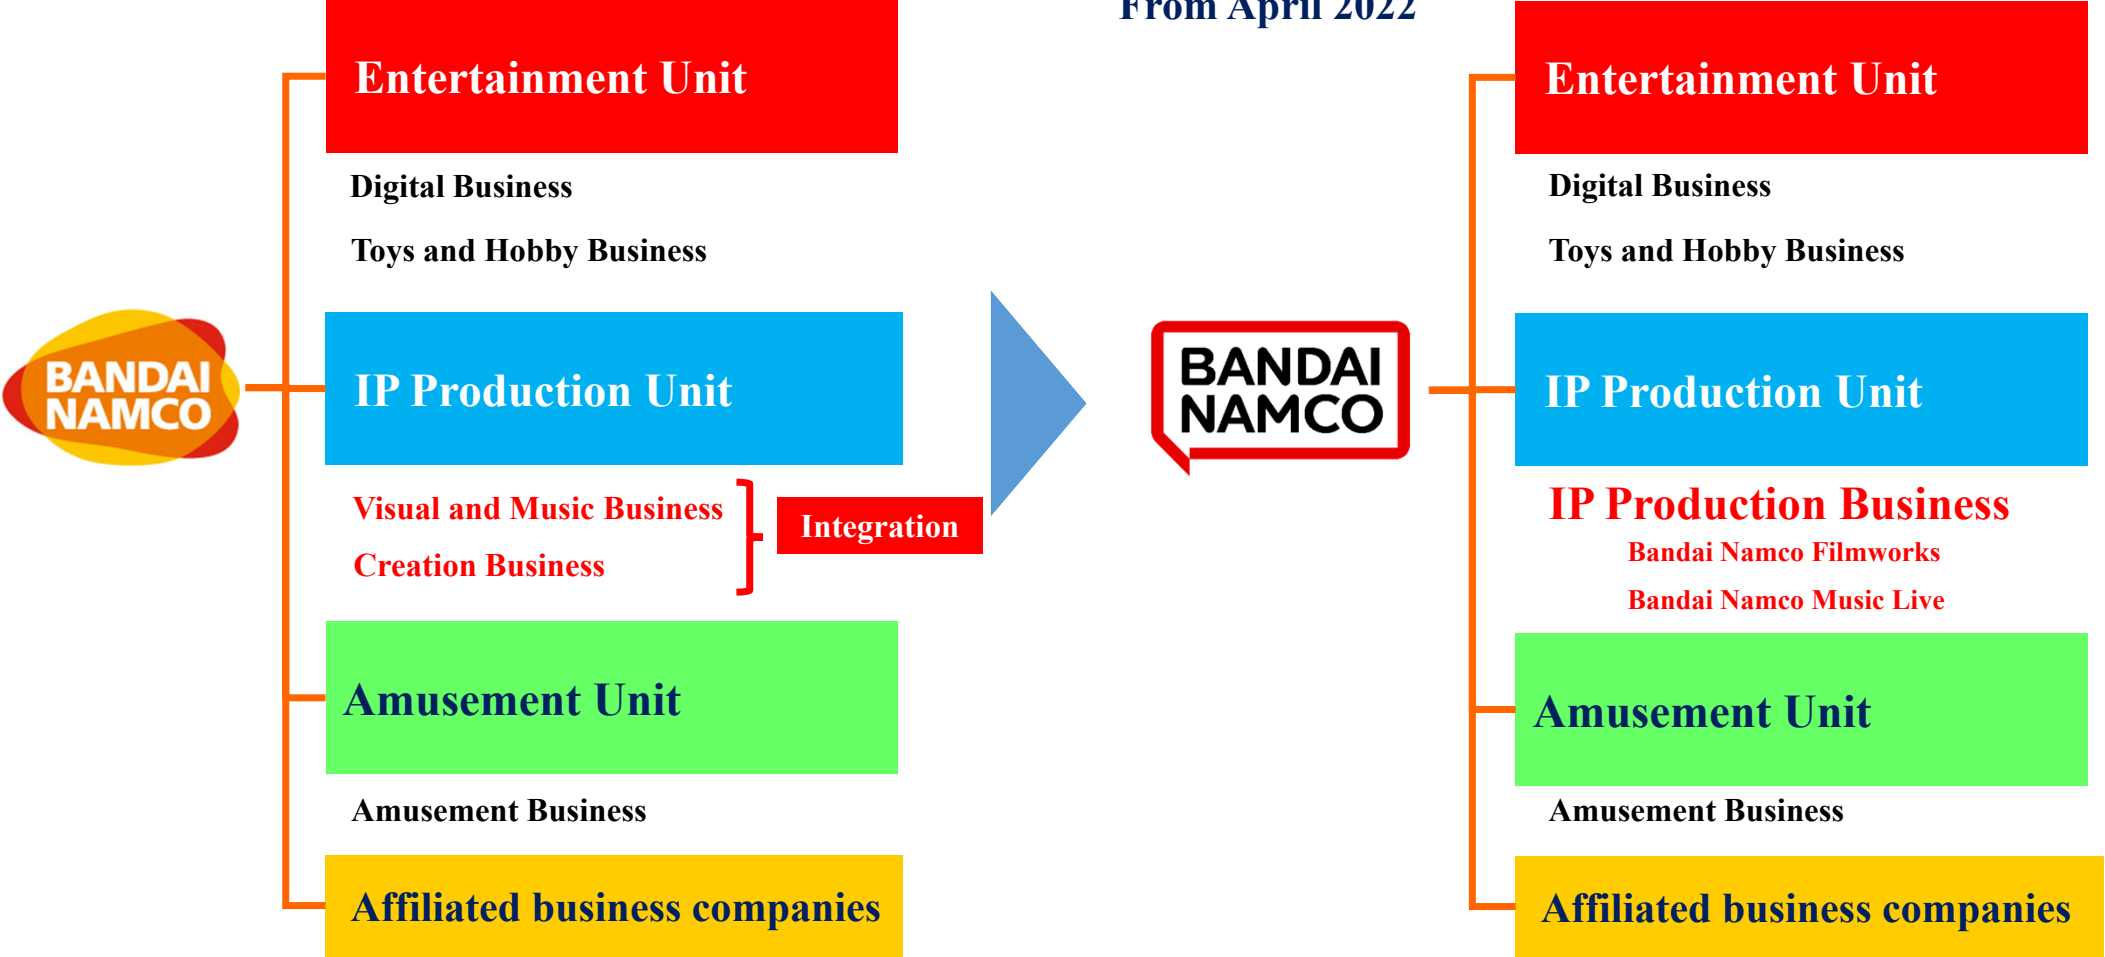

(stronger authority of audit and supervisory committee members)

- Have the right to vote at meetings of the Board of Directors
- Have the right to state their opinions regarding the selection, dismissal, and compensation of directors
- The authority to direct the internal auditing division, etc., can be given to the audit and supervisory committee

New system

□ Reorganization of the IP Production Unit

From April 2022
